

The **Baruch HaShem shuttle Service** will run from 5:30 pm to 7:30 pm, and after the Seder until 10:45 pm. The shuttle will load and unload at Baruch HaShem near the front steps of the sanctuary (southwest corner of the building). It will help ease parking congestion at Baruch HaShem if you park your vehicles in the parking lot east of (**behind**) **Hobby Lobby**, then ride the shuttle to Baruch HaShem. If you are carrying passengers, drop them off first in the east parking lot of Baruch HaShem. Then from Baruch HaShem, go west on Beltline Road and turn at the first left onto Alexis Drive. Continuing west on Alexis, pass the entrances for Mobile Lube and City Garage. Turn right at the 3rd entrance, into the parking lot between Hobby Lobby and City Garage. The shuttle will be loading and unloading in this area only. It will then take you to Baruch HaShem before the Seder, and return you to the parking lot immediately after the Seder.
