Bible Study

F.J., Team Leader

The Bible study held on June 11th was awesome. The subject, "**Walk in the Spirit**" was taught by C.C.. We learned that to *Walk in the Spirit* actually means to tread all around in the Spirit. That would encompass everything we do every single day. We concluded that in order to live our lives according to the Spirit every single day we must have our minds renewed in the Word, put our carnal nature in subjection to the Word and submit everything to the G-d in pray. This should be naturally occurring for followers of Yeshua. When believers set their hearts and minds on the things of G-d and pleasing Him it is easier to live our lives in the Spirit everyday.

On July 9th another awesome Bible study took place. The subject, "**Submission**" was taught by F.J.. Definition for submission is 1) Act of submitting {yield in surrender}. 2) The condition of having submitted. 3) Submissive conduct or attitude 4) *Law*- An agreement to abide by a decision or obey an authority in some matter referred to arbitration.

We learned that Submission is an act of being willing and obedient to the Word of G-d no matter what. Isaiah wrote, "*If you are willing and obedient, you shall eat the good of the land; but if you refuse and rebel, you shall be devoured with the sword; for the mouth of the LORD has spoken it.*" Is. 1:19-20 HNV
